

HVAC TECHNICIAN

Employment Type: Permanent, Full-time

Location: Huntsville, AL

SPECIFIC JOB RESPONSIBILITIES

- Install, repair, service, and maintain HVAC systems, ensuring they operate efficiently and effectively according to job specifications.
- Proficient at brazing for system installation and repair.
- Conduct thorough diagnostics to identify issues and provide efficient solutions.
- Perform routine maintenance and inspections to ensure the optimal functioning of HVAC equipment.
- Collaborate with the engineering and quality teams to ensure all systems meet industry standards and customer requirements.
- Keep accurate records of all service and maintenance tasks, including parts used and work performed.
- Provide excellent customer service, addressing client concerns, and ensuring customer satisfaction.
- Stay updated on industry trends and emerging technologies in HVAC systems.

MINIMUM REQUIREMENTS

- High school diploma or equivalent. HVAC certification or related technical training desired.
- A minimum of 2 years' experience working as an HVAC technician.
- Strong knowledge of HVAC systems, components, and functions.
- EPA Universal certification
- Experience working on equipment with Military or Aerospace applications and workmanship requirements.
- Familiarity and understanding of manufacturing drawings, blueprints, and specifications.
- Able to follow written Manufacturing Outlines, policies, and procedures as required.
- Ability to support requirements in a manufacturing environment requiring quick turnarounds.
- **MANDATORY** - US citizen or permanent resident (Green Card holders) due to Government ITAR regulations.

KEY RELATIONSHIPS

The HVAC Technician reports directly to the Manufacturing Manager. Technicians are expected to work and coordinate with the Manufacturing, Quality, and Engineering departments.

ABOUT APPLIED COMPANIES

Applied Companies, Inc. is a Southern California-based manufacturer of ruggedized Environmental Control Units (ECU's) and Pressure Vessels for tactical military systems. Applied also has a sales and repair facility in Huntsville, Alabama. As a small company, Applied Companies relies on the capabilities and good judgement of its people. We provide a pleasant, professional, and dynamic entrepreneurial work environment where creativity is encouraged. Every person at Applied is expected to help when and where needed. We have been in business since 1958 and offer a competitive salary and benefits package that includes medical, dental, and vision, along with a generous 401K match and profit-sharing program.
